COUNTERING TRANSNATIONAL THREATS S E M I N A R

JUNE 11TH - 13TH | 2019
RIO DE JANEIRO - BRAZIL

<http://crisisgame.org/index.php/ctt-seminar-2019/>

COPPEAD
UFRJ

When: June 11-13, 2019

Language: Portuguese; Spanish; English (no translation will be provided). Most part of the speakers are Brazilian and are going to present in their native language (portuguese).

Where: Rio de Janeiro – EGN, ECEME and ESG facilities.

Collaborative institutional engagement as a part of the Bilateral Transnational Threats Engagement Program proactively builds and strengthens relationships through academic exchanges and networking opportunities.

Seminar with U.S., Brazilian and South American speakers and participants will address transnational threats and include topics like U.S. and Brazil national security strategies, challenges to governance, counterterrorism, narcotics, arms and human trafficking, money laundering, terrorist financing, interagency and international cooperation to combat transnational threats.

Main Theme: Combatting TOC through Integrated Security / Combate ao Crime Organizado Transnacional por meio da Segurança Integrada / Combatiendo el Crimen Organizado Transnacional por medio de la Seguridad Integrada.
